GENERAL SECONDARY CERTIFICATE EXAMINATION- 2020
GENERAL ENGLISH(الخطة الجديدة)

DATE: Saturday, 4 of July, 2020   **TIME: ONE HOUR AND HALF .**

ملحوظات: ١ـ أجب عن أسئلة هذه الورقة جميعها.   ٢ـ للمتقدمين في الفروع الأكاديمية   ٣ـعدد الصفحات (٤)

- It's normal to **feel a bit blue** from time to time. However, studies show that negative emotions can harm the body. Anger can also have harmful effects on health. When you see red, your blood pressure is raised and you can suffer from headaches, sleep problems and digestive problems.

1. The underlined colour idiom means ……………….. .

     a. permission   **b**. un expectedly   **c**. effort   **d**. sadness

- Scientists have already developed brain implants that improve vision or allow disabled people to use their thoughts in order to control prosthetic limbs like arms, legs or hands, or operate a wheelchair. They hope to develop a similar device to help people who have been affected by brain damage, which could be caused by dementia, a stroke or other brain injuries.

2. Many factors may cause brain damage. Mention two of these factors.

     a. arms and legs   **b**. dementia and a stroke

     c. hands or operate a wheelchair.   **d**. improve vision or allow disabled people

- In many countries, an increasing number of young people and adults are overweight or even obese. One reason for this is the growing popularity of fast food, which didn't use to be as common as it is now. Another big factor is lack of exercise. People would often walk to school or work, but these days many more of us drive. Modern technology has also played its part; we spend more and more time focusing on computer screens. Before the Internet was invented, nobody had dreamt of online shopping, but now we can buy almost anything without leaving the sofa.

3. Two of the main reasons for higher rates of obesity are………………..

     a. overweight or even obese   **b**. people and adults

     c. young people and Modern technology   **d**. fast food and lack of exercise

- Adeeb is going to visit the USA, France, the UK, Ireland, Belgium, Italy and Germany, where he will be staying with relatives. However, while he is in Germany, Adeeb will not be spending all his time sightseeing. He will be working with a specialist doctor to build the appendage. He will also be attending a course on prosthetics and learning about different kinds of medical apparatus.

4. Who will Adeeb be staying with………………..
